

To generate the activation key, please have the following available:

- Your map update packaging, with the serial number (printed within the packaging).
- Your Vehicle Identification Number (VIN)

Please note that you need to create an account if you are a new user, or log in to your account if you are a returning user.

1. Log in, or create an account

2. Go to the “manage my vehicles” section and add a new vehicle.

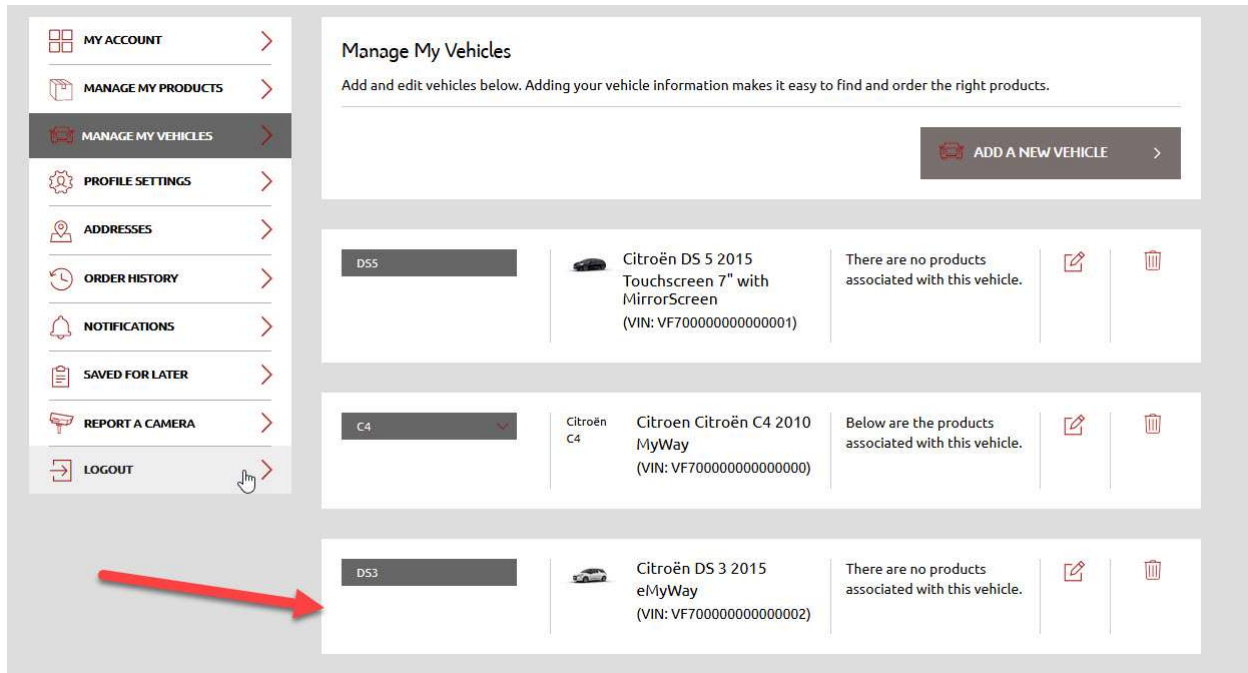

The screenshot shows the 'Manage My Vehicles' page. On the left is a sidebar with navigation links: MY ACCOUNT, MANAGE MY PRODUCTS, MANAGE MY VEHICLES (highlighted), PROFILE SETTINGS, ADDRESSES, ORDER HISTORY, NOTIFICATIONS, SAVED FOR LATER, REPORT A CAMERA, and LOGOUT. The main content area is titled 'Manage My Vehicles' and includes a sub-header 'Add and edit vehicles below. Adding your vehicle information makes it easy to find and order the right products.' Below this is a button 'ADD A NEW VEHICLE'. A table lists vehicles, with the first entry being a Citroën C4. Below the table, there is a section for 'Risk Areas Database in Europe February 2019 - MyWay' with a price of £ 6.99 and a 'DOWNLOAD' button.

- Choose a nickname for your vehicle (or device if you are buying a map for a portable device).

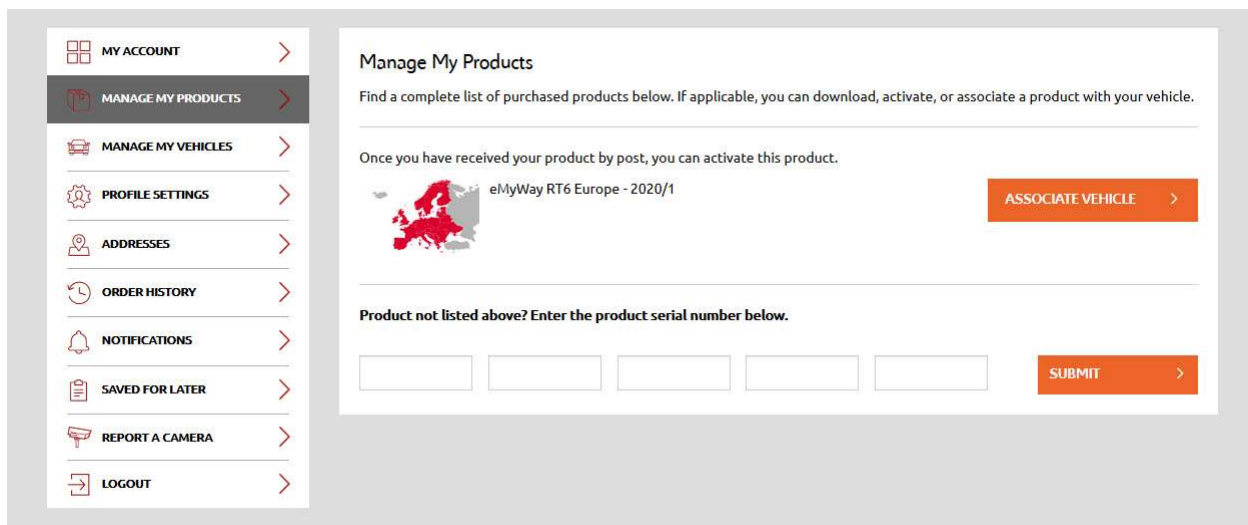

The screenshot shows the 'Add a New Vehicle' form. The sidebar is the same as in the previous screenshot. The main content area is titled 'Add a New Vehicle' and includes a sub-header 'To add a new vehicle, complete the form below. All fields marked with an asterisk (*) must be completed.' The form fields are: *Short name or nickname for your vehicle (DS3), *Vehicle Identification Number (VIN) (VF700000000000002), *Vehicle Make (Citroën), *Vehicle Model (DS 3), *Vehicle Model Year (2015), and Navigation System (EMyWay). There are 'ADD A NEW VEHICLE' and 'CANCEL' buttons at the bottom.

- Pay attention to the device ID or VIN – any error would lead to either a wrong activation code being generated or the inability to generate the code. For example, do not enter “I” instead of “1” or “O” instead of “0”.

3. Go to the “manage my products” section.

- If you bought a product from the Webstore that requires activation, it will be listed here.

- If you obtained your product from the Mapcare programme or at dealership, click “enter that product serial number here”.
- Enter the product serial number (PSN) printed on the package.
